The parties hereto freely and voluntarily enter into the following agreement:

1. Notwithstanding anything to the contrary set forth herein, the term "Camper" shall be further defined and interpreted to mean **no more than two adults and their unmarried under 18-year-old dependent children.**
2. A "Camping Unit" is defined as a **RVIA Approved Recreational Vehicle.**
 - a. All Camping Units which are 5 years old or older must be pre-approved by Campground Management prior to moving same onto Campsite.
 - b. It is strictly prohibited that any Camping Unit 15 years or older be situated upon the Campsite without Managements approval. Any Camping Unit which becomes 15 years old during the term of this Agreement may not be sold while situated at the Campsite but must be removed from the Campsite and the Campground (defined below) at the end of the term of this Agreement unless Camper has written consent from campground management.
3. "Site" or "Campsite", as used herein, specifically refers to the Site Number referenced on page 1.
4. "Campground" shall mean Smokey Hollow Campground, LLC, located at the Property Address on page 1.
5. **Not A Lease. This Agreement is a contract which is binding on both the Campground and the Camper. This Agreement is not a lease of real estate. The Camper is not a tenant. This Agreement is, for legal purposes, a license to use the property of the Campground on the conditions which are stated in this Agreement.**
6. **Term**
 - a. Campground does hereby allow Camper Admission to Site during the term referenced on Page 1 for no more than a 6 month continuous time period between April 15 and October 15.
 - b. Camper must notify Campground 90 days prior to Agreement expiration if they have no intention of renewing Agreement. **Failure to notify campground within 90 days, results in camper forfeit of the \$200.00 deposit, and Campground will not repurchase the \$400 transfer tank.**
 - c. Upon expiration or termination of this Agreement, Camper shall quietly and peacefully return the site to as good a condition as it was upon commencement of this Agreement, ordinary wear and tear excepted.
 - d. On or before the expiration or termination of this Agreement, Camper shall remove any and all of its personal property from the Campsite including the Camping Unit. If Camper shall fail to timely remove from the Campsite any and all of its personal property, Campground shall have the right to remove said personal property from the Campsite, with a lien upon said personal property for the actual and reasonable costs of removal and costs of storage which shall be not less than \$20.00 per day. Campground shall not be liable for any damage incurred in moving said personal property and camping unit, nor for the safekeeping of same.
 - e. **Holdover.** If Camper remains in possession of the Campsite after the expiration or termination of this Agreement with the written consent of Campground but without executing a new agreement, Camper shall be deemed a month-to-month camper. The Camper is responsible for and agrees to pay the then existing Monthly Admission Fee (defined below) per month, in advance, during such month-to-month admission. Such month-to-month admission may be terminated by either party, effective as of the end of any calendar month, by twenty-eight (28) days' written notice to the other. If Camper remains in possession of the Campsite without the written consent of the campground, Camper shall pay Campground's damages arising from Camper's failure to vacate the Campsite, and in the absence of proof of greater damages, Campground's damages shall be deemed to be twice the amount of the Monthly Fee, apportioned on a daily basis or management can remove the camping unit and personal property. This provision does not waive any other right of the campground under this Agreement, at law or in equity.

- f. If Camper requires the assistance of the Campground in moving Camper's Camping Unit and/or other personal property (ie: decks, sheds, etc), such service will be provided at the convenience of the Campground, without assuming any responsibility for any damage to the Camping Unit and/or other personal property, at a rate of \$50.00 per hour (one hour minimum). 8. Camper shall at all times keep their RV’s and any improvements on the site maintained and in good condition. Camper shall keep RV leveled and all exterior surfaces well-maintained. Any broken windows shall be

immediately repaired. Camper shall keep RV and site in clean and good condition (lawn mowed, weeds eaten, driveway sprayed, etc) and shall not permit any garbage, rubbish, refuse or dirt of any kind to accumulate in or about the site or Park. Animal droppings shall be routinely cleaned up on your lot. Landscape waste should be properly disposed of. Management has the right to enter onto a site without prior consent to maintain site. **This is private property belonging to Smokey Hollow Campground, LLC.**

9. Items other than unbroken lawn furniture, grills, or planters shall be stored in a shed and not on the side of a shed, on the deck, or under the trailer.
10. In the event Camper fails to keep the site properly maintained, Campground may give Camper notice of the deficiency (mail, email, phone) and 10 days to fulfill Camper's obligations. If such maintenance is not performed within such time, then Campground may, but shall have no obligation to, perform such maintenance and the Camper shall pay the following maintenance: Rubbish and Trash Removal: \$25-\$100 per incident; Lawn Care: \$20-\$50 per incident; Boat/trailer removal/storage: \$20 per incident/\$45 per 6 months or (See Office for details), or terminate seasonal admission agreement.
11. Upon posting at least 24 hours notice, if practical, Management may at any time close any of the private streets or walkways of the Park for the following reasons: to make repairs/changes, to prevent the acquisition of public rights to such area, to discourage non-resident parking, to shut off water/sewer for repair, or for any other reason. The common areas/facilities of the Park used by the Campers of the Park, are being made available on a gratuitous basis and are not part of the premises leased. The right to use such areas and facilities may be discontinued at any time in Management's sole discretion. Such discontinuation shall not be a default by Campground under this agreement and shall have no effect on the seasonal admission fee to be paid by Camper or any other agreements to be performed by Camper hereunder. Camper, in making use of such facilities and areas, does so at his own risk.
12. Twice a year, the facility performs a test and cleansing on the private well system. Management will try to give a 24-hour notice but if not possible, the bulletin board at the entrance will display postings. Individual delivery to residents may also be a method of distribution. We apologized in advance if you feel that we have not provided enough notice. It is estimated that this may occur in October and April. Schedule is solely based on contracting service and their schedule.
13. By order of the Public Health Sanitation Division and the Department of Health and Family Services, all gray or discharge water coming out of a Camper's unit must go into a transfer tank. Violators will be subject to heavy fines and penalties by the State of Wisconsin, Division of Public Health.
14. For persons wishing to sell their camping unit, Smokey Hollow Campground maintains a complimentary resale sheet in the office/store or online in which sellers may advertise. Keys may be kept in the office for management to show the unit. During April to October, keys may be given to potential buyers to view the unit themselves if an employee of Smokey Hollow Campground is not available.
15. When selling a unit, the balance of the Lot Rental Agreement is **not** assumable by the purchaser, nor is it refundable to camper if prepayment was made. A potential buyer must be pre-approved by management before the final sale transpires.
16. The management must approve any replacement or additions of sheds on lots. Sheds or storage units must be made out of wood or a Rubbermaid product and **not bigger than 8'x10'**. All metal sheds, once removed, should be replaced with the above.
17. The maximum number of cars per site is 2, provided there are 2 parking stalls available on lot. All cars are to be in working order and currently licensed and used DAILY. All others are to be stored elsewhere and NOT in our park. Once notice is given, and if not removed or operable, vehicle will be towed at owner's expense. If notice is given and it continues to be a problem, Smokey Hollow Campground LLC may not renew your Seasonal Admission Agreement.
18. All seasonal campers must carry year-round insurance and liability for their units, contents, and golf cart if applicable. **All golf cart drivers must provide proof of insurance.**

Vehicles

1. You must be a licensed driver to drive a licensed vehicle anywhere on Park property. You must have a license to drive a golf cart and **proof of insurance** (WI License or Campground License, see office for details).
2. You must have proof of insurance on any vehicle or golf cart driven on this property. Insurance must be presented if stopped or the vehicle will have to be parked until proof is provided. The speed limit in the Park is 5 miles per hour and MUST be observed. All golf carts must be Park-certified in order to be operated in the park. Your immediate family must own a unit at Smokey Hollow Campground in order to drive YOUR personally owned golf

cart. Drivers must be at least 16 years old with valid driver's license. Younger drivers may take a driver's test with management and provide proof of insurance, to earn driving rights (Ages 14-16, additional rules apply!) Each person on the golf cart must have their own seat. NO VISITORS without a driver's license can drive the golf cart at any time in the Park. If an incident arises, management MUST give permission or the golf cart will be PARKED for a timeframe determined by Management.

3. All golf carts, motorcycles, etc. are **NOT** to be operated after 11pm nor before 8 am. Absolutely no vehicles should be driven after dusk unless they have headlights. **Absolutely no drivers under the age of 14 may operate any vehicle, include golf carts, after dusk.**
4. All vehicles are to be parked on the campsites (2 vehicle maximum), not around the store or office or on your neighbor's site. **Vehicles must have a visible car pass on the rear view mirror** and be parked on the corresponding lot only. No vehicles shall be parked in the road at any time. Additional vehicles can be parked in the common parking area near the house with valid car pass.

Safety

1. Safety is the Park's #1 priority. Do not sit or stand on fences or railings and observe all signs that are posted around the facility and pond. Lack of common sense is not an excuse for not following safety precautions.
2. Swim at your own risk. Please watch your children on the beach & in the pond. A lifeguard is not a babysitter for your child(ren).
3. Fireworks and firearms are prohibited at all times.
4. Any person whose conduct is offensive or disorderly to other campers, residents, park personnel or Management, will be required to leave the premise or be restricted to their campsite. Management will determine "offensive conduct" as each instance arises, and Management's decision will be final. If Management's decision is not followed, local authorities will be contacted and will have the right to issue a ticket/warning to the person(s) not cooperating. The person(s) may also be banned from the Park, which is private property.
5. Management has the right to terminate admission in order to protect other campers and Management from unruly campers and their visitors/invitees. Campers are ultimately responsible for their actions as well as those of their child(ren), visitors and/or invitees.
6. We reserve the right to restrict children to their site if their behavior or actions are unacceptable.
7. You will follow all state, county and federal laws. Authorities will be contacted to investigate any suspected drugs or illegal acts. If law enforcement is called to a site more than 2 times for domestic disturbance or unruly behavior, the Park has the ability to not renew the Seasonal Admission Fee Agreement, depending on the severity of reports.
8. All residents and guests must follow the rules and regulations listed in the contract as well as those posted around the facility.
9. Vandalism, disturbances, etc. will be grounds for immediate and permanent Admission Termination from the Campground. The laundry room and bathhouses are not places for congregating or hanging out for golf cart drivers or for children—see #6 above.
10. All visitors should know the unit number and the name of the person they are visiting. Every visitor must register at the office and pay a Visitor Fee of \$7 per person per day and a Vehicle Fee of \$5 per vehicle per day before entering the park or fee's double..
11. **Water rules: Adult supervision of children is a must while at the water. Lifeguards are a courtesy – swim at your own risk. Absolutely no diving, no flipping, no somersaults, no horseplay, no physical contact on or off the water inflatable's or on decks. No jumping from the slide – slide down feet first only! Consequence: Immediate removal from swim area.**

Boats/Storage

1. Boats/Boat trailers are NOT to be kept on lots. Off-season storage is allowed on sites between October 1 and April 30.
2. There will be no parking of boat trailers, extra campers, old cars, PWC trailers, etc. on individual sites. If you don't move them, we will—at YOUR EXPENSE. Boat storage is allowed only with Management's prior approval.

Pets

1. Pets are allowed on the grounds but must be kept on a leash. Pets must be quiet and Camper must pick up after their pet. No pets are allowed on the beach, in any rental unit, or in common areas, e.g. store, patio decks, game room or any other building.
2. Domestic animals, birds, or pets of any kind are limited to no more than 2 of any kind, e.g. 1 cat, 1 dog, or 1 bird and 1 dog, unless prior written approval of Management has been obtained and noted in your file. All animals should have current vet and county tags, and be properly neutered or spayed. Absolutely NO FARM animals are allowed on

individual lots or in RV units, including, but not limited to, rabbits, sheep, pigs or chickens. No exotic animal are allowed (lions, monkeys, etc.). No animals may be boarded at any time.
